*To Teach*

*To Educate*

*To Form*

This Month's Virtue:

## ATTENTIVENESS

We pay attention to the needs of others so we can know how to serve them well. When we teach kids to be attentive in small ways, they will learn to become attentive to the large needs people have in the world today.

### Holy Hero:

Bl. Kateri Tekakwitha  
Kateri's mother taught her how to do the works of mercy when she was a little girl. When her mother died, Kateri relied on Mary to help her PAY ATTENTION and serve others.

*"I tell you, anything you did for the least of my brothers, you did for me, says the Lord."* ~Mt 25:40
